Do you use email communications with your research participants? Learn when it is necessary to use the email consent. Come see the step-by-step process of using !Secure.

**HIPAA Compliant Electronic Communication with Human Subjects in Research**

**Presented by:**

**Zachary Arnold**
Privacy Officer for Research and Academics

**Thursday, May 11, 2017**

Discussion: 12:00 – 1:00 pm  
Network: 1:00 – 1:30 pm  
SRB Room 1.416

**Objectives:**

1. Understand the risks and benefits of electronic communication with human subjects in research.
2. Understand and describe appropriate technical safeguards when communicating PHI via email.
3. Describe when consent is necessary in order to email a human subject.

For questions about SCORE, or to request accommodations to attend this event (for example: ASL services), please email SCORE@urmc.rochester.edu by 4:00 pm, Monday, May 8, 2017.

SCORE is sponsored by the CTSI as a coordinator-run forum to create opportunities for sharing, learning and connecting with peer research coordinators.
