For additional information on HIPAA,
refer to the [URMC intranet site](#).

SCORE Website is linked on the OHSP home web page under *Additional Resources* under the list of *U of R websites* or travel from CTSI website.

The screenshot shows the CTSI (Clinical & Translational Science Institute) website. The header includes the CTSI logo and the text 'UNIVERSITY of ROCHESTER MEDICAL CENTER'. The main navigation bar has 'About the CTSI' and 'Connections'. A red arrow points to 'Connections'. Below this, a 'CONNECTIONS' section is displayed with the subtitle 'Networks, partners and opportunities'. It features three icons: 'GR-PBRN', 'SCORE', and 'U of R'. A second red arrow points to the 'SCORE' icon. To the right, there is a 'Request Research Help' link. Below the 'CONNECTIONS' section, a pop-up window titled 'Study Coordinators Organization for Research & Education' is shown. This window contains a sidebar with links: 'Home', 'Research Help', 'Events', 'Mentoring', and 'Professional Development'. The main content area of the pop-up displays the title 'SCORE: Study Coordinators Organization for Research & Education' and a paragraph describing its mission: 'The mission of SCORE is to provide support and regular networking opportunities for University research coordinators and staff. The participants of this CTSI-sponsored group meet to share information, to collaborate to develop tools and practices, and to learn of University processes related to human subject research management.' A 'Make a Gift' button is visible in the top right corner of the pop-up.
