¹All visits charged a minimum of one hour.

²Inpatient visits are charged at a flat rate.

³A visit at this level would include emergency nursing services, vital signs, use of CRC-owned equipment, and provision of standard supplies.

⁴A visit at this level would include the services/resources in Level 1, as well as blood draws and processing.

⁵The level of service chosen will be determined by the type of services requested

⁶The Recruitment Set Up Package includes Studypages, MyChart for Recruitment and/or the UR CTSI Research registry.

and the complexity of the protocol.

Rates are valid through 6/30/2026.

Please contact CTSI at CTSI@urmc.rochester.edu to obtain budget information at any time, most importantly prior to grant submission or budget submission to a sponsor.
