

Study Coordinators Organization for Research & Education (SCORE)

Privacy & Security Update: Relevant Topics for Research

Presented by:

**Zachary Arnold, Privacy Officer for Research and Academics,
Department of Finance**

and

**James Purvis, CISA, CISM, HIPAA Security Official SMH, URMFG and UHS,
Information Security Office**

Learning Objectives:

- Explain the basic tenets of the University's Privacy and Security policies.
- Describe common pitfalls research teams may experience.
- Describe best practices to avoid violations.

Thursday, November 10, 2016

URMC, 2-7544

(Take the yellow elevator to 2nd floor; then walk toward CEL area)

Presentation: 12:00pm – 1:00pm

Coordinators' Chat: 1:00pm – 1:30pm

Feel free to bring your lunch!

SCORE Tip:

I CARE...about the privacy and security of our patients' health information (PHI).

This means we only access clinical information when it's essential for patient care or conducting URMC and Affiliates business. It means we use electronic systems like eRecord responsibly, and are vigilant about making sure "work stays at work." Learn more by watching the "Integrity Matters" [video](#).

If you have any questions, please contact your [Privacy Officer](#) or [HIPAA Security Official](#) or refer to the URMC intranet site at <http://sites.mc.rochester.edu/departments/hipaa/>

SCORE is sponsored by the CTSI as a coordinator-run forum to create opportunities for sharing, learning, and connecting with peer research coordinators.

To request accommodations to attend this event (for example: ASL services), please email SCORE@urmc.rochester.edu by 4pm, 11/07/16.
