

UNYTE Virtual Scientific Session Advancing Translational Science in Rural Health Research

**November 1, 2023
9:00 AM – 11:00 AM**

This event will bring together researchers from across New York State to explore innovative strategies for overcoming barriers to the participation of rural populations in health research.

We will highlight

- Rural health research
- Digital health technologies and teleresearch
- Extending the reach of your studies to engage rural populations
