

Study Coordinators Organization for Research & Education

The mission of SCORE is to provide support and regular networking opportunities for University of Rochester research coordinators and staff. The participants of this Clinical & Translational Science Institute-sponsored group meet to share information, to collaborate to develop tools and practices, and to learn of University processes related to human subject research management.

Welcome!

9th Annual SCORE Half-Day Seminar

Professional Development for Research Personnel

June 6, 2017

This seminar is presented to support networking and advance understanding related to the coordination and management of health research.
