CTSI Weekly Update

Do you have an item you would like to publicize in the CTSI Weekly Update?

Contact: Kathleen_Crane@urmc.rochester.edu.

UNYTE Scientific Session: Promoting Diverse Representation in Translational Research

The UNYTE Scientific Session will draw a wide audience of researchers, community partners, clinical leaders, and data scientists from across UNYTE institutions to spark interdisciplinary and inter-institutional collaborations that promote diverse representation in translational research.

Keynote Speaker: **Nadia Islam**, Associate Professor, Department of Public Health, and Director of the DREAM Project New York University

Dr. Islam directs the DREAM Project -- a five-year community-based participatory research study based in the Center for the Study of Asian American Health at the NYU Langone Medical Center. The goal of the project is

The Clinical and Translational Science Institute's Weekly Update is your source for:

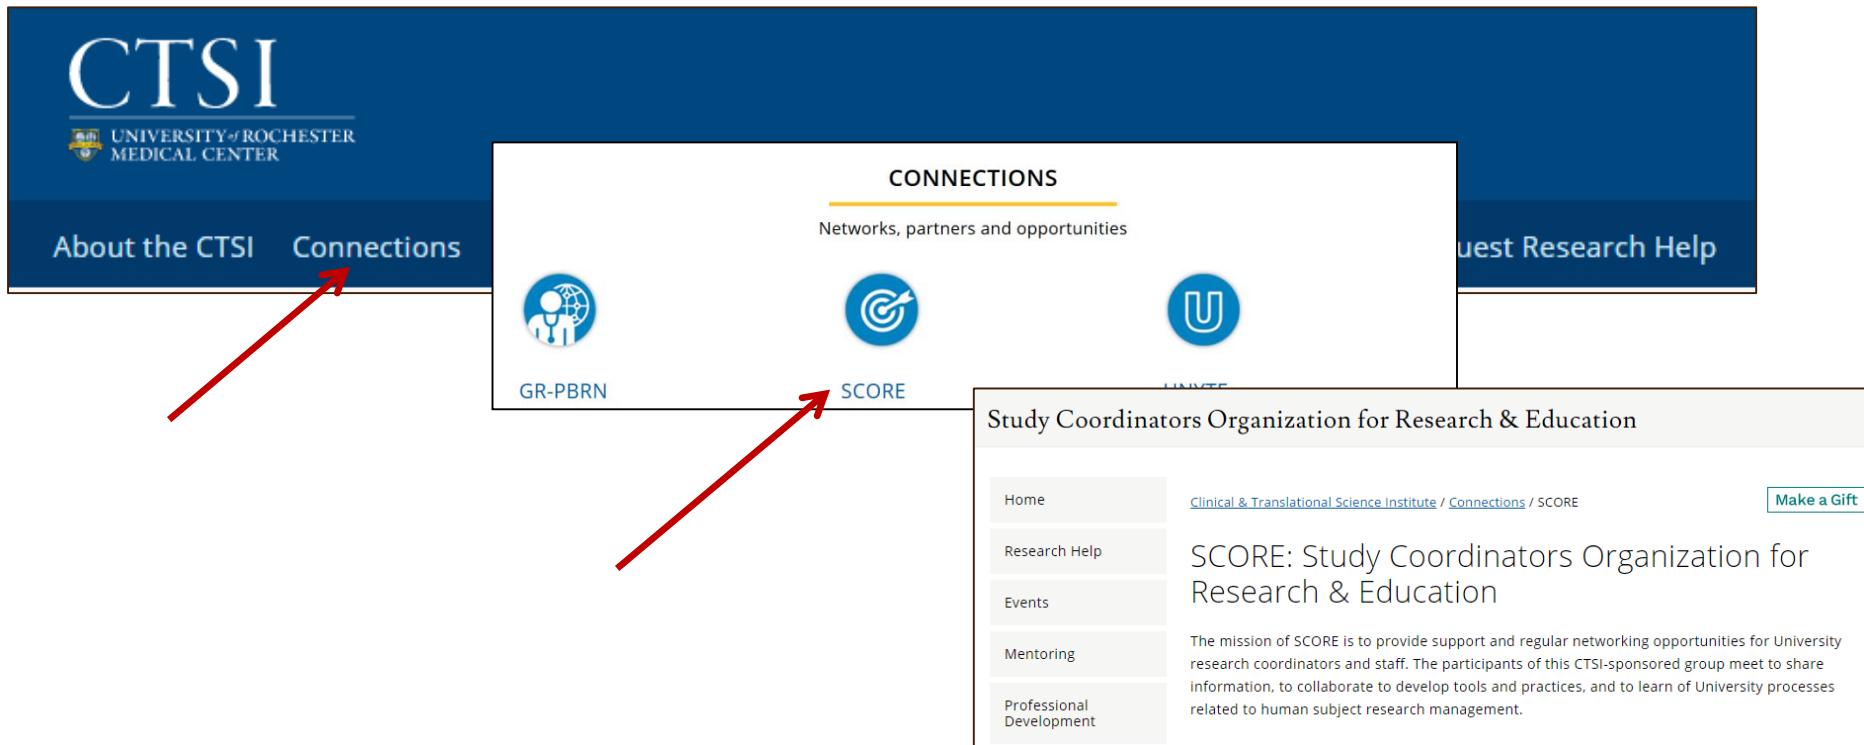

- events
- collaboration opportunities
- career development opportunities
- funding opportunities in clinical and translational science

Look for it every Monday.

SCIENCE INSTITUTE

SCORE Website is linked on the OHSP home web page under *Additional Resources* under the list of *U of R websites* or travel from CTSI website.

The image shows a screenshot of the CTSI (Clinical & Translational Science Institute) website. The top navigation bar includes links for "About the CTSI", "Connections", and "Request Research Help". Below this, a "CONNECTIONS" section is displayed, featuring icons for "GR-PBRN" (a globe and stethoscope), "SCORE" (a target), and "UNIVTE" (a stylized 'U'). A red arrow points from the "Connections" link in the top navigation to the "SCORE" icon in the "CONNECTIONS" section. Another red arrow points from the "SCORE" icon to the "SCORE: Study Coordinators Organization for Research & Education" box below. The "SCORE" box contains a list of links: Home, Research Help, Events, Mentoring, and Professional Development. It also includes a description of the SCORE mission and a "Make a Gift" button.

SCORE: Study Coordinators Organization for Research & Education

The mission of SCORE is to provide support and regular networking opportunities for University research coordinators and staff. The participants of this CTSI-sponsored group meet to share information, to collaborate to develop tools and practices, and to learn of University processes related to human subject research management.

Feedback - December's Meeting

Recruitment Resources and Services

What I liked best:

“I enjoyed learning more about I2B2 and the various other recruitment strategies as they are relevant and useful.”

“Different presenters are helpful with their varied approaches and experiences.”

“....high-level overview[s]...opportunity to discuss one-on-one with the presenters.”

Upcoming OHSP Seminars

Thursday, January 18th

12:00-1:00pm (1W-304)

Exemption Determination in the Era of the Revised Common Rule

Presented by:

- Kelley O'Donoghue, Associate Vice President for Human Subject Protection
- Emily Flagg, Senior Regulatory Specialist for the RSRB

Attendees are welcome to bring their lunch.

Remote participation will be available via Zoom video conferencing.

Today's Open Discussion

Share Issues and Potential Solutions to Barriers

Facilitated by:

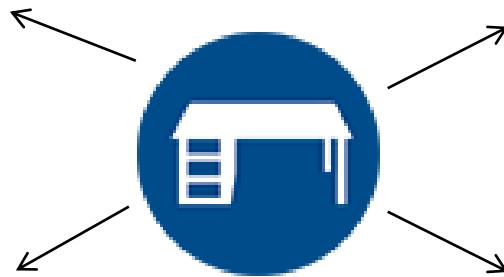

Nancy A. Needler, Manager,
CTSI Research Coordinator Program

Icebreakers:

- Revised F4 – requesting subject payment
- REDCap
- Phlebotomy Training
