

# DEAF/HH Scientists ROC Conference

## The Open Road: Creating Opportunities with Deaf and Hard-of-Hearing Scientists

The goal of the conference is to advance the success of deaf and hard-of-hearing individuals in biomedical and behavioral science research careers. While the conference is designed to support the Deaf and Hard-of-Hearing community, all groups are invited and encouraged to attend. The conference is open to undergraduate and graduate students, postdoctoral students, faculty and staff.
