## 41st Annual Allen A. Brewer Prosthodontic Conference

---

Don't lose this unique opportunity to learn the latest:

---

Irena Sailer, DDS, DMd

- ◆ Esthetics, ceramics, hybrid materials, and associated digital design and manufacturing technologies for restorative and implant dentistry.
- ◆ You will understand the advantages and disadvantages of layered and monolithic reconstructions, preparation designs and their evidence-based indications for use.
- ◆ The latest developments on digital impressions, CAD/CAM, and applicable concepts for minimally-invasive restorative treatment

Dr. Irena Sailer is Head of Fixed Prosthodontics and Biomaterials at the University of Geneva, Switzerland; Editor in chief of *International Journal of Prosthodontics*; Associate Professor, School of Dental Medicine, University of Pennsylvania
