

Welcome to our INTERNATIONAL POSTDOCTORAL Dental Training Program site.

Our International Postdoctoral Dental Training Programs are designed for dentists who obtained their dental degree outside the United States from a non-accredited American Dental Association's (ADA) Commission on Dental Accreditation (CODA) dental school.

The following International Postdoctoral Dental Training Programs are available at the Eastman Institute for Oral Health. Valuable information can be found within each of the links and we hope as you begin to review your options that you consider EIOH in helping you to achieve the next level in your dental education!

[Advanced Education in General Dentistry Program](#) (AEGD)
[Orofacial Pain/Temporomandibular Joint Disorder](#)
[Orthodontics and Dentofacial Orthopedics](#)
[Periodontics](#)
[Prosthodontics](#)

Information on how to apply to any of these programs can be found by clicking on the "How to Apply" link on the left side of this page.

We here at EIOH look forward to assisting you as you explore your International Postdoctoral Dental Training Program options.

Regards,
EIOH Admissions Office

The University of Rochester values diversity and is committed to equal opportunity for persons regardless of age, color, disability, ethnicity, gender identity or expression, genetic information, marital status, military/veteran status, national origin, race, religion/creed, sex, sexual orientation or any other status protected by law. Further, the University complies with all applicable non-discrimination laws in the administration of its policies, admissions, employment, and access to and treatment in University programs and activities.
