

**UNIVERSITY OF ROCHESTER
EASTMAN INSTITUTE FOR ORAL HEALTH
PRECEPTORSHIP IN OROFACIAL PAIN**

PROGRAM TITLE:	Orofacial Pain Preceptorship at Eastman Institute for Oral Health
COURSE CO-DIRECTORS:	Drs. Ross H. Tallents and Donald Macher
COURSE DATES AND DURATION:	11 months (generally divided into 2 semesters (fall and spring). Expected start date is August 1 st of each year.
OBJECTIVES:	• To promote the dissemination of EIOH Orofacial Pain educational model • To be exposed to EIOH Orofacial Pain education at the postgraduate level • To learn current concepts of Orofacial Pain • To understand how to advance interdisciplinary treatment planning • To understand how technology can be incorporated into Orofacial Pain • To understand and apply basic research methodology in Orofacial Pain • To understand proper diagnosis and treatment of patients with Orofacial pain and sleep apnea
PROGRAM FORMAT:	• The student will be involved in all didactic activities held in the Orofacial program at EIOH; this generally involve lectures, courses, CE activities, seminars, resident and faculty-led literature reviews, interdisciplinary case presentations and treatment planning, problem-based learning, long-distance presentations and remote (via Blackboard or similar) types of lecture delivery media. • It is also expected that the student will participate in scholarly activity that are on-going within the program with the purpose of learning basic research methodology and design.
PATIENT CONTACT:	It is expected that the student will observe clinical procedures performed in the Orofacial Pain Clinic. However, the student <u>will not</u> be allowed to provide patient care.
SIZE OF CLASS:	2 depending on application number and eligible candidates.
CANDIDATE ELIGIBILITY:	DDS or DMD degree from a CODA-accredited or equivalent foreign institution.
IMMIGRATION STATUS:	If student is a US citizen or permanent resident proof must be provided. Any student requiring visa sponsorship will be sponsored on an F-1 Student Visa.
TUITION & FEES:	US \$25,000 + applicable mandatory health insurance fees, administration fees and any other fees assessed. All subject to change without notice.
STIPEND (SALARY):	The student does <u>not</u> receive a stipend (salary).
CERTIFICATE:	A Certificate of Attendance is awarded upon successful completion of the program. <u>Please note:</u> this program is not intended to prepare individuals to practice a specialty. It is not the same as the postgraduate program certificate awarded to full-time postgraduate students in specialty training as a qualification for recognition by the American Dental Association, nor does it qualify an individual for licensure in New York State or any other state in the United States.
METHODS OF EVALUATION:	• Student/s will be required to undergo a semester examination that will encompass the information provided during the lectures. • A case-based scenario will be provided, on a semester calendar and the student assessed in his/her ability to apply sound and evidence-based knowledge to a clinical case. Grading System: S = Satisfactory U = Unsatisfactory
