

**University of Rochester Eastman Institute for Oral Health  
General Practice Residency Program**

Short-Term Observation Information

Thank you for your interest in the General Practice Residency Program at the Eastman Institute for Oral Health.

Please download the Short-Term Observation Policy and the Short-Term Observation Application Form from the GPR website.

Please note that your primary physician or health care facility must provide verification of your required immunizations in order for you to participate in the program, the Tuberculin skin test and flu vaccination must be within the last 12 months.

Please let us know what date/s you would like to visit. We will do our best to be able to accommodate your request. If you have any questions please do not hesitate to contact us.

We look forward to meeting you!
