Presented by

Judith Baumhauer, MD, MPH, FAAOS, FAOA

Senior Associate Dean for Academic Affairs

Professor of Orthopaedic Surgery

University of Rochester School of Medicine and Dentistry

Director, UR Clinical Health Informatics Core

Please join us for a presentation and discussion about the promotion process for junior biomedical faculty. As Senior Associate Dean for Academic Affairs, Dr. Judy Baumhauer oversees faculty appointments and reappointments as well as the promotion and tenure process.

At the conclusion of the seminar, the participant will be able to:

1. Define the general timeline for promotion and tenure
2. Describe the potential appointments and components of promotion
3. Identify important steps needed to prepare for promotion

The URSMD Junior Faculty Biomedical Research Association (JFBRA) is an academic peer group designed to serve the unique needs of early-stage Ph.D. and M.D. faculty to promote our success in scientific discovery, funding, publications, mentoring, teaching and service to the University of Rochester and the greater Rochester community. For more information or to be added to the JFBRA distribution list, please contact the JFBRA Co-directors or email faculty_development@urmc.rochester.edu
