## **Building and Utilizing a Successful Mentoring Team**

*Presented by*

### **Vivian Lewis, MD**

Professor Emerita, Obstetrics and Gynecology  
Vice Provost for Faculty Development & Diversity

### **Jennifer Gewandter, PhD, MPH**

Assistant Professor of Anesthesiology and Perioperative Medicine

**Wednesday, January 20, 2021 | 4:00 p.m. – 5:30 p.m.**

<https://rochester.zoom.us/j/92499327746>

Developing a mentoring team and using your mentors effectively underlies success for junior faculty. In this session, Drs. Vivian Lewis and Jennifer Gewandter, experts in mentorship development, will join us to share their insights into finding mentors, creating a mentoring team, and developing peer mentors.

After the session, we will hold a workshop for interested individuals to help troubleshoot your specific mentoring challenges.

**To register for this session: <https://forms.gle/a26B8xBc2dSCVGGU9>**

*Mark Your Calendar for April's JFBRA Session: April 12, 2021 | 4:00 p.m. - 5:30 p.m.*

The URSMD Junior Faculty Biomedical Research Association (JFBRA) is an academic peer group designed to serve the unique needs of early-stage Ph.D. and M.D. faculty to promote our success in scientific discovery, funding, publications, mentoring, teaching and service to the University of Rochester and the greater Rochester community. For more information or to be added to the JFBRA distribution list, please contact the JFBRA Co-directors or email [faculty\\_development@urmc.rochester.edu](mailto:faculty_development@urmc.rochester.edu)
