

Faculty Development Workshop Series on Technology in Health Professions Education

Co-Sponsored by the University of Rochester Office for Online Learning, Warner School of Education,
School of Nursing, URMCI Institute for Innovative Education, and SMD Office for Faculty Development

Transforming Your Teaching for the Digital Age – Educational Technology for Classroom and Online Learning

This series of workshops will help educators consider innovative approaches to designing instruction for a course or educational experience, and explore the potential use of web tools, and online resources and activities that may lead to high quality experiences for learners.

Session 3

Tools for Creating Content

March 4, 4:00 – 5:00 pm, via zoom

<https://rochester.zoom.us/j/326201454>

March 5, 12:00 – 1:00 pm, LeChase Hall, Genrich Rusling Room, River Campus

Presented by

Lisa Brown, EdD

Assistant Director for Online Learning
Institute for Innovative Education

Eric E. Fredericksen, EdD

Associate Vice President for Online Learning
Associate Professor in Educational Leadership
University of Rochester

This workshop will review a number of online tools and applications that faculty can use to enhance engagement with students. The session will include demonstration and application of select tools that faculty might consider in their own courses.

Learning Objectives:

- 1) Identify useful resource sites that contain engaging content
- 2) Identify possible uses for web 2.0 tools to enhance engagement
- 3) Create their own video lectures
