Dear Ms. Moon, the Graduate Student Society of the School of Medicine and Dentistry, and the Graduate Student Association of the School of Arts, Science, and Engineering of the University of Rochester:

Thank you for choosing Willow Center to benefit from your charity gala and for your gift of \$330, received on 3/13/2018. Your support is life-changing for survivors and their families in our community. Because of your generosity, we are able to provide critical services for thousands each year.

We couldn't do this without you. With our 24/7 crisis hotline and 49-bed emergency shelter, Willow is a refuge for those fleeing abuse. Our network of support stretches from crisis intervention and safety planning to skill building and individual counseling. We offer support sessions with topics including credit repair, legal workshops, housing clinics, yoga, meditation and art. Willow advocates can be found at the Hall of Justice through our Court Advocacy Program, at the University of Rochester Medical Center through the HEAL Collaborative, and throughout our community with prevention education and mobile advocacy programs. **Your gift makes this all possible.**

With our full range of services and locations, we are *here* for survivors seeking safety, hope and healing. Perhaps the most important thing we provide is hope. Your support sends a powerful message to survivors that they are not alone.

"With Willow, I am no longer alone. I have hope. And hope is everything." -Survivor, 2017

Thank you for *giving hope*. Together we are changing lives.

With gratitude,

Meaghan de Chateaueux, MA, CFRE
Director of Development and Marketing
