Abstract Guidelines
The abstract should present a succinct description of your thesis work, indicating the purpose, the procedures or methods followed, the results achieved, and the conclusions which have been reached. A well written abstract makes the reader want to learn more about your research.

Abstracts and proposal cover sheets are to be emailed to GSSBoard@urmc.rochester.edu by April 29, 2016.

- Provide a Word document
- 1” margins
- Double-space
- Use 12 font
- Limit to 350 words or less

Poster Guidelines
The Medical Center Graphics Center offers guidelines for poster creation and layout. Visit the following website for guidelines and general information.

http://www.urmc.rochester.edu/graphics/

The size of our poster boards is 40” x 60” and your poster should be developed to accommodate board size. Contact the Graphics Center if you need assistance in sizing your poster.

The Graphics Center has several downloadable guides to assist you including “Creating Posters using PowerPoint” and a pricing and print time guide.
