

Instructions for Self-Enrolling into a URM MyPath Course

Laboratory Safety Training 2019

For those who do not have direct access to a computer you may use the computing centers at Miner Library, inside the Medical Center or Rush Rhee's Library on River Campus.

- Attention Mac users: It is recommended that you complete these modules using Chrome instead of Safari
- Attention PIs/Lab Managers: There is no print function in MyPath to obtain a certificate of course completion for staff. If you are tracking compliance for your lab, attached are instructions to run a report below. **If you have any additional questions, please contact mypathsupport@rochester.edu**

Please choose the course that most accurately describes the materials that you handle within your duties. If you are unsure of the course to take, please ask your Principle Investigator or Supervisor. **All courses include Bloodborne Pathogens Training.**
