

897 Master's Dissertation

The course provides full-time status for students who have completed all course requirements for their degree other than the thesis *or* are enrolled in final coursework in addition to the thesis and who have been registered as full-time in all previous semesters. A dissertation fee is not charged for this course. However, other fees associated with full-time enrollment may be charged (Mandatory Health fee). Students must be registered with a specific faculty member who is responsible for monitoring their full-time effort and providing a Pass/Fail grade at the conclusion of the course.

This course designation is only be used at the end of a degree program after all course requirements have been satisfied and is a one-time only registration. If more time is needed for the student to complete their work, the student must register for 895 or 899 and pay the appropriate [dissertation fee](#). Approval of the Graduate Registrar and SAD-GEPA is required to enroll in this course.
