WELCOME to Graduate School

Rick Libby, Ph.D.
Professor of Ophthalmology
Senior Associate Dean of Graduate Education and Postdoctoral Affairs
Who GEPA serves

- Service Department at its core
  - University, integrity of degree
  - Scientific mission
  - Programs
  - T and F grants
  - Students & Postdocs
    - HR
    - Education
    - Career development
    - Student life and student welfare

Provide a learning environment where trainees can develop the skills necessary to succeed in their chosen career paths.
Orientation Resources

- https://www.urmc.rochester.edu/education/graduate/incoming-graduate-student-orientation.aspx
- Student Handbook
  - GEPAs
  - Individual programs
- University GEPA
  - https://www.rochester.edu/college/gradstudies/current/policies/index.html
Incoming Class

- Certificate, Masters, Doctoral Programs
  - 9, 15, 12
- 139 incoming students
  - 19, 51, 69
- Range of Disciplines
  - Epidemiology to Genetics to MFT
- Diverse Student Population
  - 15 countries
- Average Age 25
Core Tenets of Graduate Education

• AAMC
  - Institutional Commitment
  - Program Commitment
  - Quality Mentoring
  - Provision of Skill Sets and Counseling

• URMC
  - Formal classroom education
  - An apprenticeship
  - Student support
  - Career preparation
Goals to Accomplish in your First Year

• Complete classes, successfully (grades)
• Complete 3 rotations with a satisfactory score (basic science PhDs)
• Find a research “home” or thesis project (where applicable)
• Build your skill base
Balancing it all in Graduate School

• Classes
• Rotations
• Family obligations
• Social interactions
• Health and wellness
• Career development
People are here to help
(personally, professionally and experimentally)

- GEPA
  - Sharon McCullough, Director of GEPA
  - Kandice King, Director of Enrollment
  - Tracy Pezzimenti, Registrar
- myHub
  - Eric
  - Elaine
- Entire GEPA staff
People are here to help
(personally, professionally and experimentally)

- Program Directors
- Faculty (thesis committee)
- Department Chairs and Center Directors
- Other trainees
- Program Coordinators
People are here to help
(personally, professionally and experimentally)

Melissa Sturge Apple PhD
Vice Provost
Graduate Dean
UofR

Adrienne Morgan PhD
Sr. Assoc. Dean for Equity and Inclusion (URMC) & Vice Pres. for Equity and Inclusion (UofR)
Why URMC: Student Support

To be hired/announced

Associate Dean for Mentor Development

Chief Wellness Officer

Director of Student Life

Associate Dean
Equity & Inclusion, R & RE

Nathan A. Smith, Ph.D. (’13)
People are here to help
(personally, professionally and experimentally)

- **CARE Network** (support and student concerns)

Why URMC, Career Development

8 spokes of myHuB
- Alumni
- Events
- Fellowship & Grants
- Research Ethics
- Student & Postdoc Groups
- URBEST Career Services
- URBEST Internships
- Writing Services

• Find a career
• Build skills/get experience
• Network with our alumni
  - Meliora collective
• Outcomes
  - industry, pharm, postdocs, academics, advocacy, writing, government….
Peer Groups

https://www.urmc.rochester.edu/education/graduate/current-students/graduate-student-society/graduate-student-life.aspx

Graduate Student Groups

- Celebrating Diversity and Inclusion
- UR Research Series
- Science Communication and Outreach
- Advocacy, Policy and Awareness
- Professional Development
Peer Groups

• ADSE, Alliance for Diversity in Science and Engineering
  - to increase the participation of underrepresented groups in academia, industry, and government through graduate student organizations that reach out to students and scientists of all ages and backgrounds.

• GWIS, Graduate Women in Science
  - to provide mentoring for the professional and personal development of all graduate women at the URMC and ASE.

• GSRF, Graduate Students Raising Families
  - to find solutions to alleviate the problems that students have while balancing family life and pursuing their degrees.

• Spectrum
  - to support, educate, and offer targeted resources to the lesbian, gay, bisexual, and transgender community training at URMC

• GSS, Graduate Student Society
People are here to help
(personally, professionally and experimentally)

• Graduate Student Association
Getting Going

• First year good time to stick you toes in the water
  - Focus on exploration and skills for your research
  - One year Master’s programs, get going!

• Explore your career options throughout your time here

• Begin to developing your network and connect with fellow trainees and UR alumni: Alumni Group on LinkedIn and The Meliora Collective

• Stay connected with what is happening in myHub Opportunities to Explore (OTE)
Individualized Development Plans

- Go to: http://myidp.sciencecareers.org/
  - Evaluate skills, values, and interests
  - Explore and evaluate career opportunities
  - Set specific goals for your career path
- Discuss with your advisor/mentor
- Put your plan in place
Advice for your First Year

- Set goals and work to meet them
- Seek help when needed
- Work with multiple mentors
- Be scientifically curious
- Make friends/socialize
- Learn and make use of new technologies
- Become part of the community
- Enjoy the process
Choosing a project/mentor!

- Perhaps the most important decision you make in grad school and in postdoc
  - Oversees the environment you will spend considerable time in
  - Responsible for providing most of your scientific training
  - Attack questions like your advisor
  - In some ways also picking an area of expertise

- Can be a great asset for your entire career

- Purpose of rotation (where applicable)
Choosing a project/mentor!

• Perhaps the most important decision you make in grad school.
• What we tend to look for
  - Trendy science
  - High impact papers
• What we should look for for
  - Good solid science
  - Something that we are very interested in
  - Good, attentive advisor (and mentor)
  - Environment where you think you will thrive

1. Big difference between an advisor and a mentor
2. 2nd and 3rd bullets are not mutually exclusive
Expectations

Expectations of Graduate Students

Expectations of Research Advisors

https://www.urmc.rochester.edu/education/graduate/home/forms.aspx
Expectations

• I acknowledge that I have the primary responsibility for the successful completion of my degree.

• I will be committed to the education and training of the graduate student.

• I will be committed to the research project of the graduate student.
Expectations

• I will be knowledgeable of the policies and requirements of my graduate program, graduate school, and institution.

• I will comply with all institutional policies, including academic program milestones.

• I will be knowledgeable of, and guide the graduate student through, the requirements and deadlines of his/her graduate program as well as those of the institution, including teaching requirements and human resources guidelines.
• I will provide for every graduate student under my supervision an environment that is intellectually stimulating, emotionally supportive, safe, and free of harassment.

• Throughout the graduate student’s time in my group, I will strive to be supportive, equitable, accessible, encouraging, and respectful.
COVID-19 TIER STATUS

The current University COVID-19 tier level is **LOW**

*Face masks are optional* for all students, faculty, staff, and visitors indoors. Patient care areas, as well as University shuttles and transportation, continue to require masking. A full description of Medical Center masking requirements is available on the [URMC Intranet](https://www.urmc.rochester.edu) (University network access required).

Find the latest updates, policies, and guidance on the University’s [COVID-19 Resource Center](https://www.urmc.rochester.edu).
Communications

URMC This Week
News for Faculty, Staff, Students and Volunteers

Looking for more COVID-19-related info and resources?
Check out our COVID-19 Intranet Portal.

ORCID

- ORCID is a unique identifier that makes it easier to distinguish, organize, and share your work
- Free, researcher controlled and owned
- Can use on grant applications and manuscript submissions
- Register and complete your profile at orcid.org
- Please take a moment to connect to the UR Reporting System, takes less than a minute - orcid.lib.rochester.edu
- Need help, contact your librarian or Daniel_Castillo@urmc.Rochester.edu at Miner Library
What we strive for

At the University of Rochester School of Medicine and Dentistry, an environment of respect, inclusiveness and support is of utmost importance for our learners. You will have the opportunity to learn with and from a diverse group of peers, mentors, faculty and staff. We want to know how your experience is going as you pursue your academic goals. The GEPA office is a place to offer you support and resources through your academic career at SMD.
Orientation Resources
