MELISSA POLONENKO

POSTDOCTORAL FELLOW

DEPARTMENT OF NEUROSCIENCE

Melissa Polonenko, Ph.D., AUD(C) is a Clinician-Scientist and postdoctoral associate in the Auditory and Multisensory Processing Laboratory at the University of Rochester Medical Center. After working full-time as an Audiologist she completed her doctorate from The University of Toronto at SickKids Hospital in Canada. Her research investigates auditory development in children with hearing loss who use hearing aids and cochlear implants, auditory-visual integration following sensory loss, and novel electrophysiological paradigms to assess hearing function.
