Science and Technology Entry Program (STEP)

STEP stimulates participants' interest in career development opportunities in medicine and the health care professions. Students may work directly with MDs, technical staff, and medical and graduate students. Students are exposed to a variety of academic and professional skill development to enhance problem solving, critical thinking and test taking skills through "hands-on" learning.

Applicants must be:

- Members of an underrepresented group OR economically disadvantaged
- A New York State resident and a U.S. citizen or permanent resident
- Rising 7–12th grade student
- GPA of ≥ 2.8
- Express interest in science and/or the health professions
