Urgent Care Medicine Advanced Practice Provider Fellowship Program Application 2023-2024

About UR Medicine

- Serves over 100,000 patients annually from the greater Rochester area.
- NP/PA will work with faculty with a wide variety of expertise in Urgent Care Medicine and Emergency Medicine. Fellows will be on the cutting edge of health care delivery as they train to work within the University of Rochester Medical Center and our Urgent Care centers.

Goal of the Fellowship Program

- It is anticipated that the fellows will show clinical growth, improved clinical confidence and increased preparedness to care for patients in all of these settings, by the completion of the fellowship.
- Our post graduate NP/PA Fellowship will provide additional skills training, as well as independent mentorship experience in an ED for the duration of 9 months.
- This will be an intensive clinical program which will prepare NP's and PA's to meet the needs of culturally diverse and clinically complex adult and pediatric patients that are typical of our Urgent Care Centers.
- Fellows will be employees of URMC and will comply with all patient care policies.

Training Methods
