

Department of Emergency Medicine Research and Academic News

December 2014

Congratulations!

Jeff Bazarian was promoted to Professor of Emergency Medicine with tenure. Jeff has been actively involved in traumatic brain injury research, teaching, and clinical work. This is a tremendous accomplishment for Jeff and a great recognition for him and our department.

Flavia Nobay and the Emergency Medicine Residency Team have received institutional and Accreditation Council for Graduate Medical Education (ACGME) approval to expand the Emergency Medicine Residency Program from 36 to 42 residents!

Tim Wiegand is now a Section Editor of Medical Toxicology for VisualDx, a web-based clinical decision support system proven to enhance diagnostic accuracy, aid therapeutic decisions, and improve patient safety.
