News

The second annual Rochester Global Health Symposium will be held from 8:30 a.m. to 5:30 p.m. Thursday, April 21, in the Saunders Research Building. This year's symposium brings together leaders in global health research from around the world to promote research collaboration, provide networking opportunities, and help new researchers begin a career in global health. Students, trainees, junior faculty, and senior faculty are invited. The call for posters and the registration portal is available online.

Our ED is now a member of the NIH/NCI-supported Comprehensive Oncologic Emergencies Research Network (CONCERN) and our ED will be one of the participants in the network's inaugural multi-center study evaluating ED visits by patients with active cancer with **Dave Adler** as Site PI (Principle Investigator).

Presentations

Linda Spillane presented [The EMR Playground as a Platform to Train Novice Learners in Safely Ordering Weight Based Medications](#) at the 2016 Council of Residency Directors Meeting on March 6th in Nashville, TN along with co-authors **Lee Marks, Ryan Bodkin** and **Flavia Nobay**.
