

Air Sensor Stories Workshop **Feedback Form**

Name:

Organization:

Email:

Location (City, State):

NOTE: We would like to hear how you used these materials and any suggestions you have for future materials.
Please email the completed form to: COEC@URMC.ROCHESTER.EDU

About the workshop(s) you conducted

Workshop location (city, state):

Workshop date:

Number of workshop participants:

Describe the context in which you conducted the workshop (e.g., location, setting, event, etc.) (NOTE: If you conducted multiple workshops, please briefly characterize/describe)

1. Did you access the Internet during the presentation?

YES NO

2. Please indicate how much time was spent on each workshop component listed below (if you skipped a component, please write "0").

Workshop component	Amount of time spent (in minutes)
Main presentation	
Making an action plan	
Using air sensors	
Other (please describe)	

About the audience

3. Describe the audience who attended the workshop (e.g., age range of participants, ethnicity, gender, education levels (if known), and other relevant characteristics about the community, etc.).

4. Was this workshop appropriate for this audience?

YES NO

If no, how would you revise the workshop to make it more appropriate for this audience? (Please explain and provide specific examples).

About the presenter

5. Please indicate how familiar you were with each topic below prior to preparing for this workshop.

Particle Pollution	<i>Very familiar</i>	<i>Somewhat familiar</i>	<i>Unfamiliar</i>
Air and health	<i>Very familiar</i>	<i>Somewhat familiar</i>	<i>Unfamiliar</i>
Air sensors	<i>Very familiar</i>	<i>Somewhat familiar</i>	<i>Unfamiliar</i>

6. How much time (acquiring materials, background review, preparing handouts, etc.) did you spend preparing for this workshop? What was most time-consuming?

For questions 8 through 11, indicate if you agree or disagree with the statement by circling the response that best fits your opinion.

7.	I felt comfortable presenting this workshop	Agree	Somewhat Agree	Disagree
8.	The audience was actively engaged during the workshop.	Agree	Somewhat Agree	Disagree
9.	I think the audience enjoyed this workshop.	Agree	Somewhat Agree	Disagree
10.	I would conduct this workshop again.	Agree	Somewhat Agree	Disagree

11. Did you have any difficulties understanding the workshop content? If so, please explain/describe.

12. Use of Optional Elements (visual aids, activities, sensor use, action plan, etc.)

a. Did you engage the audience using the question prompts in the presenter notes? YES NO
If YES, to what extent do you feel these prompts encouraged audience participation? Please describe.

b. Did you use visual aids specific to your area (e.g., EPA map of air quality monitors)? YES NO
If YES, which ones? Please comment on the value of these customizations to the presentation.

c. Did you do any interactive activities (e.g. demonstrations) as part of the workshop? YES NO
If YES, please explain what you did with the audience.

d. Did you do use air sensor(s) during the workshop? YES NO
If YES please explain how you used the sensor(s).

e. Did you guide the audience through do an ACTION PLAN as part of the workshop? YES NO
If yes, please explain how you facilitated this activity.

13. Use the space below (or attach a separate page) to share any additional feedback.
