Subject: Update on Fitness Center

Members:

I have some updates to share with you.

Showers and lockers at the Fitness Center will be available for those who would like to use them starting Monday June 21st. There will be no charge for these, however you must contact me in order to receive information and gain access. Please allow me up to 48 hours to grant access and respond to you with an email.

*This is a temporary measure until we must permanently close for demolition in Spring 2022.

Goergen Athletic Center (on RC) is now open for staff and faculty memberships. If you choose payroll deduction for your dues, you can cancel at any time. Please see their website for more information <https://www.rochester.edu/athletics/fitness-center/index.html>.

- **RC Parking:** Employees with any active permit (MC or RC) can park on River Campus between the hours of 4:30 pm to 7:00 am in any non-reserved parking space.
- **Use of Facilities:** Areas such as basketball, squash and racquetball courts can be reserved the day before for 1 hour of play time. Anyone that gets a membership can obtain a login and password in order to be able to make an online reservation. For squash, the teams usually have priority for the courts for 2-3 hours between 4-8pm for the months of Oct – Mar. Also in the winter, the basketball team uses the courts from 5-9 to practice. As for the pool, there are standing “open recreational” swim times , posted here <https://www.rochester.edu/athletics/aquatics/hours.html>

The [Fitness Center website](#) will now be the place for all information and news pertaining to the Fitness Center. The site contains useful links, all prior communications and any current and future updates.
