

FLPHA MOU Operational Plan Appendix 2.3: Sending County Protocol

The Sending County Public Health Director receives an IHANS notification from the Receiving County that the FLPHA MOU has been activated.

The Sending County Public Health Director assesses the situation and ability to provide public health mutual aid.

|

Notify and inform local OEM Director, Chief Elected Official, and PHEP Coordinator of the activation of the FLPHA MOU.

Activate EOC to review the request for mutual aid, as appropriate. Determine if, and to what extent, need can be met.

No

Yes

With approval from the Chief Elected Official, respond to the Receiving County that the request for mutual aid cannot be met.

With approval from the Chief Elected Official, respond to the Receiving County, that the request for mutual aid can be met.

|

Conference call with the Receiving County, NYSDOH Western Region Office, OEM, and Sending Counties to determine additional needs.
