

**Appendix A**  
**New York State Department of Health**  
**Office of Health Emergency Preparedness**  
**Hospital Preparedness Program**  
**Hospital Deliverables**  
**Pre-Approved Training (As of October 22, 2025)**

**Criteria for Additional Training:**

- > Training must address [Health Care Preparedness and Response Capabilities for Health Care Coalitions](#) (formerly known as the “2017-2022 Health Care Preparedness and Response Capabilities”):
  - Foundation for Health Care and Medical Readiness
  - Health Care and Medical Response Coordination
  - Continuity of Health Care Service Delivery
  - Medical Surge
- > Training must address gaps and needs identified in regional HEPC plans.
- > Funds cannot be used to supplant costs for training or professional certifications that is a condition of employment.
- > Training activities may include but are not limited to:
  - Initial education
  - Continuing education
  - Appropriate certifications
  - Just-in-time training (JITT)
- > Conferences will be evaluated on an individual basis and should be:
  - A training or workshop
  - Topics and materials addressed should be specifically relevant and applicable to New York, i.e., lessons learned, case scenarios; and
  - Are in support of the Health Care Preparedness and Response Capabilities for Health Care Coalitions.
- > The request to add an additional training to the list must be submitted by a HEPC Lead to the OHEP Preparedness Training Manager.
- > Request to add an additional training must include justification that should address:
  - Name of training
  - Description of training
  - Regional HEPC training gap/need
  - Target audience
