**Hospital Preparedness Program**  
**Hospital Deliverables**  
**Pre-Approved Training (As of 10/25/21)**

Criteria for Additional Training

- Training must address [ASPR Healthcare Preparedness & Response Capabilities](#):
  - Foundation for Health Care and Medical Readiness
  - Health Care and Medical Response Coordination
  - Continuity of Health Care Service Delivery
  - Medical Surge
- Training must address regional HEPC training gaps and needs
- Funds cannot be used to supplant costs for training or professional certifications that is a condition of employment.
- Training activities may include but are not limited to: initial education, continuing education, appropriate certifications, and just-in-time training.
- Conferences will be evaluated on an individual basis and should be:
  - A training or workshop;
  - Topics and materials addressed should be specifically relevant and applicable to New York, i.e., lessons learned, case scenarios; and
  - Address ASPR Healthcare Preparedness & Response Capabilities.
- The request to add an additional training to the list must be submitted by a HEPC Lead to the OHEP Preparedness Training Manager
  - Request to add an additional training must include justification that should address:
    - Name of training
    - Description of training
    - Regional HEPC training gap/need
    - Target audience
    - [ASPR Healthcare Preparedness & Response Capability, Objective & Activity](#)
