

Jenesse Murray

Planning and Deliverables Coordinator
NYSDOH, Office of Health Emergency Preparedness

Jenesse Murray is a public health professional with over eight years of experience in public health and health education in the nonprofit and local government sectors. She currently serves as the Planning and Deliverables Coordinator with the New York State Department of Health Office of Health Emergency Preparedness, where she supports local health departments in advancing all-hazards planning and response capabilities. Jenesse is dedicated to strengthening community resilience through strategic planning, capacity building and cross-sector collaboration that supports health equity and a whole community approach to emergency preparedness.
