

ARE WE READY?

If a major disaster occurred in Western New York that affected our community's children and overwhelmed the Regional Pediatric Center, we must be prepared.

Are we ready to respond to the influx of unexpected pediatric patients quickly and efficiently with safe, quality care?

Join us for an educational and critical table top exercise to assess our response and evaluate our current disaster planning processes. Be a proactive part of the solution with the WNY Stakeholder agencies.

WNY Pediatric Regional Disaster Surge Response Plan Table Top Exercise

PED WRECK EX 2016

Friday, September 23, 2016

8:00 AM Sign-in, *light refreshments will be served.*

8:30 AM - 12:30 PM Exercise

Presented by:

Western Region Health Emergency Preparedness Coalition

(WRHEPC) Pediatric Core Disaster Work Group

Target Audience:

WNY (8-county) Hospitals, Public Health, County EMS Coordinators, State, County and Local Emergency Managers, Regional EMS Councils, Public Safety Officials, Ambulance Services, Urgent Care Centers, School Officials are encouraged to participate.

Location:

Orchard Park Central Fire Station
30 School Street, Orchard Park, NY 14127

Exercise Objectives:

- Introduce stakeholder agencies to the **draft** WNY Regional Pediatric Surge Response Plan for an event that overwhelms the Regional Pediatric Center;
- Evaluate and validate WNY hospitals' capacities and capabilities for pediatric surge in relationship to the draft Plan, and;
- Assess gaps and planning needs with our key stakeholder agencies.

Exercise Facilitator

Tom Smalley, Health, Safety and Environment Manager
