Mario Gonzalez joined CHCANYS in February 2010 as the Emergency Management Program Manager. He has been an active Emergency Medical Technician since 1987. He holds a Bachelor of Science degree in Natural Science from St. Peter's College and holds a Master's Degree in Emergency Management and Homeland Security from Metropolitan College of New York. Mario received his certification in emergency management (CEM®) from the International Association of Emergency Managers in 2011. Mario has extensive experience in healthcare. He has served as a healthcare administrator in the hospital and outpatient setting. He has also served in EMS leadership and Emergency Management since 2003 and has been deployed to various disasters throughout the country through NDMS DMAT-NY 4 and the American Red Cross.
