

MEDICAL DIRECTOR

Gregory E. Young, M.D.

Dr. Greg Young serves as the acting Associate Commissioner and Medical Director for the NYSDOH's Western Region and was a practicing Emergency Department physician for over 30 years. He received his medical degree from SUNY at Buffalo School of Medicine, and maintained board certifications in both Emergency Medicine and Internal Medicine.

Dr. Young has served as an Associate Clinical Professor of Emergency Medicine and Assistant Clinical Professor of Internal Medicine for SUNY at Buffalo. He was the former Chair of Emergency services for the Millard Fillmore hospital system, subsequent to which he served as clinical chief of Emergency Medicine for the 5 Kaleida hospitals, a position he maintained until joining the department in 2002.

He has been published as a participant in research studies related to emergency medical services. Dr. Young is a former fellow of the American College of Emergency Physicians and the American College of Chest Physicians. He currently maintains active membership and leadership responsibilities on numerous regional and state-wide boards and committees.
