

MEDICAL MATTERS 2024-2025

Sponsored by the Medical Society of the State of New York

Measles, Community Immunity & How to Get Back There

Live Webinar

Wednesday May 21, 2025 @ 7:30am

Faculty: William Valenti, MD

Educational Objectives:

- Recognize identifying features of measles as a reemerging infection
- Illustrate community (formerly herd) immunity and the role it plays in recent measles and other outbreaks
- Identify strategies to improve vaccination rates
