

Incident Command System Webinar Series

ICS 700 – ICS 100 – ICS 200 - HICS

INTRODUCTION:

All hospitals and healthcare systems receiving Federal preparedness and response grants, contracts or cooperative agreements (HPP Grant) must maintain compliance in training staff in the National Incident Management System (NIMS). NIMS courses include ICS-100, ICS-200 and ICS-700 or their equivalents. This webinar series is designed to provide an overview of each course and to prepare staff for the FEMA exam/certification.

SESSION OVERVIEW:

- **ICS 700**

National Incident Management System: An Introduction

ICS-700 webinar session provides individuals with emergency management responsibilities including prevention, preparedness, response, recovery and mitigation with an introduction and overview of the National Incident Management System (NIMS). NIMS provides a consistent nationwide template to enable all government, private-sector, and nongovernmental organizations to work together during domestic incidents.

Note: FEMA updated course in June 2018

- **ICS 100**

Introduction to the Incident Command System

ICS-100 webinar session provides personnel involved with emergency planning, response and recovery efforts an introduction to the Incident Command System (ICS) and provides the foundation for higher level ICS training. This session will cover the history, features and principles, and organizational structure of ICS. It will also explain the relationship between ICS and the National Incident Management System (NIMS).

Note: FEMA updated course in June 2018

- **ICS 200**

ICS for Single Resources and Initial Action Incidents

ICS-200 webinar session is designed to enable personnel involved with emergency planning, response and recovery efforts to operate efficiently during an incident or event within the Incident Command System (ICS). ICS-200 provides training on and resources for personnel who are likely to assume a supervisory position within the ICS.

- **HICS**

Hospital Incident Command System

The HICS webinar session will provide an overview of the Hospital Incident Command System (HICS) and the operation of the Hospital Command Center (HCC) during emergency and non-emergency situations.

TARGET AUDIENCE:

FEMA IS Sessions: Staff person(s) who are either preparing to take the FEMA IS exam(s) or need a refresher in ICS basics.

HICS: Staff person(s) who need an introduction or refresher on Hospital Incident Command System principles.
