

LINDA SCHWAB, MS, RN, TCRN
Trauma Program Manager
Erie County Medical Center, Level I Trauma Center

Linda is a recognized leader in the field of trauma care, administration, and education. As Trauma Program Manager, Ms. Schwab works with regional and statewide committees to implement research-based improvements in trauma care and public health policy. She received both her Bachelor's and Master of Science degrees from D'Youville College in Buffalo NY. She has over 35 years of clinical experience in the field of trauma and burn care. She continues to serve as lecturer, instructor, and coordinator for many trauma and burn care courses, and presentations throughout New York State and Southern Ontario. Through her research activities, clinical publications, active involvement with the community, and leadership role in several professional organizations, she has had an important impact on the quality of trauma care at ECMC and throughout New York State. Linda sits on the New York State Trauma Advisory Committee and is the Region II Director for the Advanced Trauma Care for Nurses Course.
