**BP5 Exercise Update Webinar:
Other Regional Exercises
Infectious Disease Exercise**

Overview:

As a component of funding for BP5 (July 1, 2016 thru June 30, 2017) all hospitals and local health departments have a deliverable to participate in a full-scale Infectious Disease exercise in early 2017. Hospitals also have the option of participating in Other Regional Exercises in addition to the Infectious Disease Exercise.

Target Audience:

- Hospital Emergency Preparedness Coordinators
- Local Health Department Emergency Preparedness Coordinators

Goal:

The goal of webinar is to:

- Review the required HPP objectives which were recently posted on the Health Commerce System;
- Provide guidance for engaging at-risk populations
- Discuss the partners who will be engaged; and
- Address any questions you might have regarding either exercise.
