

Haley Donhauser, MPH
Academic Emergency Management Coordinator
SUNY Upstate Medical University

Haley Donhauser, MPH, serves as the Academic Emergency Management Coordinator for the SUNY Upstate Emergency Management Department. She holds a Master of Public Health from SUNY Upstate Medical University and has been a dedicated member of the institution for the past three years.

Haley began her career at Upstate as the Healthcare Training Center Coordinator, where she managed training programs and supported regional education initiatives. She is an active EMT, involved in her local fire department, and teaches a variety of emergency management courses.

Haley specializes in GIS mapping and analysis, integrating technology, situational awareness, and operational readiness to support effective emergency response.

Outside of work, Haley enjoys spending time with her dogs and cats, and she is an avid horseback rider.
