

**Incident Command System Webinar Series**  
**IS700.a – IS100.HCb – IS200.HCa - HICS**

**INTRODUCTION:**

All hospitals and healthcare systems receiving Federal preparedness and response grants, contracts or cooperative agreements (HPP Grant) must maintain compliance in training staff in the National Incident Management System (NIMS). NIMS courses include IS-100, IS-200 and IS-700 or their equivalents. This webinar series is designed to provide an overview of each course and to prepare staff for the FEMA exam/certification.

**SESSION OVERVIEW:**

- **IS-700.a** webinar session provides an introduction and overview of the National Incident Management System (NIMS). NIMS provides a consistent nationwide template to enable all government, private-sector, and nongovernmental organizations to work together during domestic incidents.
- **IS-100.HCb** webinar session provides an introduction to the Incident Command System for Healthcare/Hospitals, introduces the Incident Command System (ICS) and provides the foundation for higher level ICS training. This session will cover the history, features and principles, and organizational structure of ICS. It will also explain the relationship between ICS and the National Incident Management System (NIMS).
- **IS-200.HCa** review session will cover Incident Command System (ICS) principles for healthcare professionals whose primary responsibility is emergency management, to include middle management within a hospital or healthcare system. Such professionals may include physicians, department managers, unit leaders, charge nurses, and healthcare administrators that would have a leadership role during an incident.
- **HICS** review session will provide an overview of the Hospital Incident Command System (HICS) and the operation of the Hospital Command Center (HCC) during emergency and non-emergency situations.

**TARGET AUDIENCE:**

**FEMA IS Sessions:** Staff person(s) who are either preparing to take the FEMA IS exam(s) or need a refresher in ICS basics.

**HICS:** Staff person(s) who need an introduction or refresher on Hospital Incident Command System principles.
