To our valued friends and guests of REDD Restaurant,

Hello and I hope this letter finds you well. I want to reach out to you to make you aware of an event that is taking place at REDD Restaurant, on September 17th, 2013, the same date last year that my mother was tragically killed in a terrible accident.

My mother was an unrelenting advocate for children's health and education. She interacted with many young patients who were battling cancer and was particularly struck by the children she met who were fighting leukemia and neuroblastoma; their courage and fearlessness truly moved her.

In honor of my mother, Ann Reddington, I am glad to host a benefit dinner raising awareness for these causes that were so close to her huge heart. This dinner will be

benefiting children with cancer, with all proceeds going to two foundations: Alex's Lemonade Stand Foundation and Crosby's Fund. The benefit will be called Annie's Kids, to pay homage to the children who warmed my mother's heart.

There are many ways you can help our cause. Please participate in our web auction, which will go live on August 17th, 2013. The auction will have different lots ranging from, 3 Liter bottles of signature wines, hotel stays at some of the best resorts in the Napa Valley, and dinner reservations at acclaimed restaurants across the United States. To access the auction site, please visit reddnapavalley.com

To accommodate all of our generous patrons, we are also hosting an after party, held at [REDD WOOD Restaurant](#), at 6755 Washington St. Yountville, CA 94599. This event will consist of wine, cocktails and passed hors d'oeuvres, presented by Donald Link of Cochon in New Orleans, and Mitch Rosenthal of Town Hall in San Francisco. To join the guest list, please contact, Nancy at the above number.

Lastly, if you are unable to attend either event, or participate in the auction, you may still directly donate to the cause by contacting Nancy.

This event can only happen with your generosity and we are hoping to turn our horrible loss into a positive impact for children affected by this disease. Thank you for your time and consideration.

Sincerely,
Richard Reddington
