

UR Medicine Hospice
Memorial Butterfly Release

Sunday, September 10, 2023 at 2:00 p.m.
Keuka College, Norton Chapel and Lawn
Keuka Park, NY 14478

Release a beautiful live butterfly honoring memories and remembering loved ones.

The butterfly is a fitting symbol of the cycle of life: birth, transition, healing and renewal. You are invited to join us to celebrate life, commemorate a special occasion or remember those who have passed on. The ceremony will include live music, inspirational messages, a public reading of the names of those being remembered, and the butterfly release.

If you would like to purchase butterflies, please complete the following information.
