

## Contextualizing Language Deprivation in K-12 Settings

Presented by: Wyatt Hall, PhD

**Saturday, May 18, 2024**  
**10 a.m. – 12 p.m. Central Time**

11am – 1pm EST • 10am – 12pm CST • 9am – 11am MST • 8am – 10 am PST

### Webinar Description

This webinar will discuss language deprivation in context of current neuroscience, education, and public health research and applying it to K-12 settings with particular emphasis on educational interpreters' roles.

This webinar is **FREE** to all NAIE members. To register for this webinar, please log in to your member portal, then click on **Member Webinar Registration**

**This webinar will be presented in ASL with English interpretation.**

This professional studies program is offered for **0.2 PPO CEUs** at the little/none Content Knowledge Level. The target audience is Educational Interpreters, but all are welcomed.

**ASL Communication** is an approved RID sponsor for Continuing Education Units (CEUs).

**Wyatte C Hall, PhD** is Assistant Professor of Public Health Sciences at the University of Rochester Medical Center. He directs the Visual Language Access and Acquisition Lab, which focuses on the early childhood language experiences of deaf people and the social epidemic of language deprivation.
