

Ndume Page

Publications

Vitolo, J.M., Ndume, and Hayes, J.J. (2003) Castration as a Viable Alternative to Zeta Male Propagation. *J. Primate Behavior* [in press].

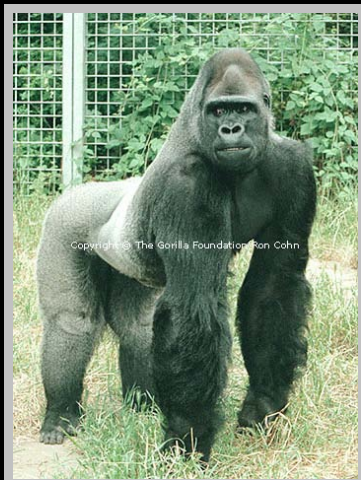

Vitolo, J.M., Ndume, and Hayes, J.J. (2003) Identification of POZM-A Novel Protease That is Essential for Degradation of Zeta-Male Protein. *Nature* [in press].

Vitolo, J.M., Ndume, and Gorilla, T.T. (2001) A Critical Review of the Color Pink and Anger Management. *J. Primate Behavior*, **46**: 8012-8021.

Ndume, and Gorilla, T.T. (2001) Escalation of Dominance and Aberrant Behavior of Alpha-Males in the Presence of Alpha-Females. *J. Primate Behavior*, **45**: 7384-7390.

Ndume, Koko, Gorilla, T.T. (2001) The "Pound Head with Fist" is the Preferred Method of Establishment of Dominance by Alpha-males in Gorilla Society. *J. Primate. Behavior*, **33**: 3753-3762.

Graueri, G., Ndume, and Gorilla, E.P. (1996) Rate of Loss of Banana Peel Pigmentation after Banana Consumption. *Anal. Chem.*, **42**: 1570-85.

Education

- 2000 Ph.D. in Behavioral Biology, Gorilla Foundation
Cincinnati, OH.
- 1998 M.S. in Behavioral Etiquette
Sponge Bob University for Primate Temperament Training.
*Discharged from program for non-compliance.
- 1997 Ph.D. in Chemistry
Silverback University, Zaire
- ? - 1995 B.S. in Survival and Chemical Synthesis
The Jungle, Zaire

Research Experience

- 2001 - Present Department of Biochemistry and Biophysics, University of Rochester Medical Center, Rochester, NY
Postdoctoral Fellow
Advisor: Dr. Jeffrey J. Hayes
- 2000 - 2001 Department of Biochemistry and Biophysics, University of Rochester Medical Center, Rochester, NY
Postdoctoral Fellow
Advisor: Dr. Jeffrey J. Hayes
- 1997 - 2000 Department of Behavioral Biology, Gorilla Foundation, Cincinnati OH
Ph.D. Research
Advisor: Two Ton Gorilla, D.M.D., Ph.D.
- 1995 - 1997 Department of Chemistry, Silverback University, Zaire
Undergraduate research
Advisor: Dr. Eight Hundred Pound Gorilla
- 1994 - 1995 The Jungle, Zaire
Trials of Married Life
Advisor: Koko
- 1996 - 1998 The Jungle, Zaire
Department of Chemistry, Silverback University, Zaire

Awards and Honors

2002	GIH Postdoctoral Fellow University of Rochester, Rochester, NY
2001	Two-time recipient of the society's highest honor for the elimination of Sponge Bob John Wayne He-Man Society
2000	First Gorilla awarded the society's highest honor for the discovery and knock-out of the gene responsible for Zeta Male syndrome John Wayne He-Man Society
1996	The Michael Graduate Fellowship Department of Chemistry, Silverback University, Zaire
