

Requesting an Article through Miner Library's Interlibrary Loan and Digitization Services

1. You have found an article in PubMed@UR and click  or

 button which links you to DiscoverUR, the library's online catalog.

2. You don't see any options to access the article in full-text, such as "Download Now" or "Available Online." You can still get the article through Miner's Interlibrary Loan and Digitization Services.

3. On the gold bar in the article record, click on **My Account** to get the login box.

4. Choose UR Students, Faculty, and Staff. Then log in using your Active Directory (AD) credentials (the username and password that you use to log in to your URM email).

Be sure to select **URMC Active Directory** under **Domain**.

5. Select Interlibrary Loan - Miner/URMC

Complications After Dental Sedation: A Myotonic Mystery Case Report
Karamlou
ISSN: 0003-3006 , 1878-7177
Anesthesia progress. , 2022, Vol.69(4), p.26-31

Notes
Put any information here that may help us find the item, as well as any other pertinent information.

NOTICE: COPYRIGHT RESTRICTIONS: The copyright law of the United States (Title 17 United States Code) governs the making of photocopies or other reproductions of copyrighted materials. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research". If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use", that user may be liable for copyright infringement. This institution reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve violation of copyright law.

By clicking the Submit Request button you are accepting the above terms.

Receiving your Article

1. All articles are delivered as a PDF to your ILLiad account.
2. You will be notified via email when a PDF has been delivered. There will be an ILLiad log in link in the email.
3. It generally takes 1 - 2 business days to fill an article request. However, many requests are filled sooner.
4. Request statuses are available online in your ILLiad account.
5. To retrieve an article, from the ILLiad **Main Menu** web page, click the **View Button** for the article under **Electronically Received Articles**.

The screenshot displays the ILLiad web interface. At the top, there is a header for the University of Rochester Medical Center and Edward G. Miner Library, including contact information. Below this is a navigation bar with links for Main Menu, New Requests, History, Search, Profile, and Logoff. The main content area is divided into three sections: 'Electronically Received Articles', 'Checked Out Items', and 'Outstanding Requests'. In the 'Electronically Received Articles' section, the first article is highlighted with a red box around the 'View' button. In the 'Outstanding Requests' section, the first request is highlighted with a red box around the status 'Awaiting Request Processing'. Blue arrows point to these specific elements.
