

Directions to Miner Library from the Ramp Garage

Cross the foot bridge (Sokol Bridge) on level one, and turn right, toward "Lobby and Information." Walk through the Main Lobby, past the Information Desk and Finger Lakes Coffee Roasters, on your right. Pass under the overhead sign, toward "School of Medicine and Dentistry." Follow the yellow ceiling tags until you reach a large, mirrored ceiling dome at the intersection of two corridors where the carpet ends. Turn left and just a short distance further, on your right, will be the entrance to the Atrium, also known as the Todd Hall of Honor, and the entrance to Miner Library.
