Dr. John J. Condepi Lecture in Allergy, Immunology & Rheumatology

12:00PM Department of Medicine Grand Rounds
Class of ‘62 Auditorium

Gerald J. Gleich, M.D.
Professor of Medicine and Dermatology
University of Utah School of Medicine, Salt Lake City, UT

Gerald J. Gleich, MD is an allergist and immunologist with a practice focused on the treatment of eosinophil-associated diseases. These include asthma, esophagitis and hypereosinophilic syndromes, as well as more common allergic diseases such as allergic conjunctivitis, allergic rhinitis (hay fever), chronic rhinosinusitis, atopic dermatitis (eczema), and urticaria (hives).

He is board certified in Internal Medicine, and Allergy and Immunology. His research interests are in the study of eosinophils and allergic inflammatory reactions.
