

UNIVERSITY of
ROCHESTER
MEDICAL CENTER

***University of Rochester Medical Center's Division of
Allergy, Immunology and Rheumatology***

***12th Annual Lupus Education Day
October 27, 2018***

Location: University of Rochester Medical Center
School of Nursing / Helen Wood Hall Auditorium 1W-304
255 Crittenden Blvd, Rochester, New York
Time: 8:30 am -12:30 pm

We have brought this free symposium to the Rochester community yearly in order to provide state-of-the-art information to individuals with lupus and their families. It is an interesting time in the world of lupus with many active clinical trials studying new treatment options. We are also excited to bring new break-out sessions to the symposium this year. We gratefully acknowledge the support of the 'Lupus Education and Research Fund' generously gifted by the local Lupus Foundation and a grant from the Greater Rochester Health Foundation to provide lupus patient education and outreach.

Symposium Organizer: Jennifer Anolik, M.D., Ph.D.

Associate Professor of Medicine, Pathology, and Microbiology/Immunology
Director of the URM Lupus Clinic
University of Rochester Division of Allergy/Immunology & Rheumatology
