

UNIVERSITY of
ROCHESTER
MEDICAL CENTER

***University of Rochester Medical Center's
Division of Allergy, Immunology and Rheumatology***

***17th Annual Lupus Education Day
November 4, 2023***

Location: University of Rochester Medical Center
School of Nursing / Helen Wood Hall Auditorium 1W-304
255 Crittenden Blvd, Rochester, New York
(Saunders Research Building Entrance)

Time: 10:00am – 2:00pm

We have brought this free symposium to the Rochester community yearly in order to provide state-of-the-art information to individuals with lupus and their families. It is an interesting time in the world of lupus with many active clinical trials studying new treatment options. For participants who would like to join via zoom, morning presentations will be live streamed. We are also excited to bring back the popular break-out sessions and offer "U Pick 2" for our in person participants this year. We gratefully acknowledge the support from our Lupus Research & Education Endowment Fund that helps provide lupus patient education and outreach.

Symposium Organizer(s): Directors of the URM Lupus Clinic

Jennifer Anolik, M.D., Ph.D., Professor and Interim Division Chief, Allergy, Immunology & Rheumatology Division, Department of Medicine

Ummara Shah, M.D., Associate Professor, Allergy, Immunology & Rheumatology Division

Ilana Abeles, M.D. Ph.D., Assistant Professor, Allergy, Immunology & Rheumatology Division
