| July 8       | Diabetes Emergencies                            | S. Wittlin, MD       | Endocrine    |
| July 15      | Thyroid Emergencies                             | B. Gigliotti, MD     | Endocrine    |
| July 22      | Calcium Emergencies                             | M. Augustine, MD     | Endocrine    |
| July 29      | Thyroid U/S 1                                   | B. Gigliotti, MD     | Endocrine    |
| August 5     | Thyroid U/S 2                                   | B. Gigliotti, MD     | Endocrine    |
| August 12    | Pituitary Emergencies & Hypopituitarism         | I. Shafiq, MBBS      | Endocrine    |
| August 19    | Continuous Glucose Monitoring                   | S. Wittlin, MD       | Endocrine    |
| August 26    | Inpatient Management of DM: Update              | S. Miedlich, MD      | Endocrine    |
| September 2  | G-Protein Coupled Receptors                     | S. Hammes, MD, PhD   | Endocrine    |
| September 9  | Sodium Emergencies                              | C. Moore, MD         | Nephrology   |
| September 16 | <b>GR: Fellows meet w/Speaker</b>               |                      |              |
| September 23 | Tyrosine Kinase Receptors                       | S. Hammes, MD, PhD   | Endocrine    |
| September 30 | Steroid Receptors                               | S. Hammes, MD, PhD   | Endocrine    |
| October 7    | Steroidogenesis                                 | S. Hammes, MD, PhD   | Endocrine    |
| October 14   | <b>GR: Fellows meet w/Speaker</b>               |                      |              |
| October 21   | Dx and Management of Eating Disorders           | R. Kreipe, MD        | Adolesc Med  |
| October 28   | Disorders of Growth                             | A. Seagroves, MD     | Peds-Endo    |
| November 4   | Coping with Work and Family Stress              | Pam Spallacci        | EAP          |
| November 11  | <b>GR: Fellows meet w/Speaker</b>               |                      |              |
| November 18  | Genetic Causes of Hyperlipidemia                | S. MacLeod, DO, MPH  | Endocrine    |
| November 25  | <b>Thanksgiving Holiday/Cancelled</b>           |                      |              |
| December 2   | Genetic Disorders of Obesity: (Obesity: Part I) | S. Miedlich, MD      | Endocrine    |
| December 9   | Adrenal Incidentaloma                           | I. Harbuz-Miller, MD | Endocrine    |
| December 16  | <b>GR: Fellows meet w/Speaker</b>               |                      |              |
| December 23  | <b>Holiday/Cancelled</b>                        |                      |              |
| December 30  | <b>Holiday/Cancelled</b>                        |                      |              |
| January 6    | Management of Obesity: (Obesity: Part II)       | S. Miedlich, MD      | Endocrine    |
| January 13   | <b>GR: Fellows meet w/Speaker</b>               |                      |              |
| January 20   | Paget's Disease                                 | L. Carafone, MD      | Endocrine    |
| January 27   | Hypoglycemia                                    | D. Samuel, DO        | Endocrine    |
| February 3   | Osteoporosis                                    | M. Augustine, MD     | Endocrine    |
| February 10  | <b>GR: Fellows meet w/Speaker</b>               |                      |              |
| February 17  | Dexa Scans                                      | M. Augustine, MD     | Endocrine    |
| February 24  | Pheochromocytoma                                | I. Harbuz-Miller, MD | Endocrine    |
| March 3      | 1st Mock DOM GRs                                | Fellows              | Endocrine    |
| March 10     | <b>GR: Fellows meet w/Speaker</b>               |                      |              |
| March 17     | Pituitary I: Cortisol                           | I. Shafiq, MBBS      | Endocrine    |
| March 24     | 2 <sup>nd</sup> Mock DOM GRs                    | Fellows              | Endocrine    |
| March 31     | Treatment of Cushing's Disease                  | I. Shafiq, MBBS      | Endocrine    |
| April 7      | <b>GR: Fellows meet w/Speaker</b>               |                      |              |
| April 14     | PCOS  | O. Astapova, MD, PhD | Endocrine    |
| April 21     | Menopause                                       | W. Vitek, MD         | Repro-Endo   |
| April 28     | Celiac Sprue                                    | A. DeCross, MD       | GI           |
| May 5        | Pituitary II: Hyperprolactinemia                | I. Shafiq, MBBS      | Endocrine    |
| May 12       | <b>GR: Fellows meet w/Speaker</b>               |                      |              |
| May 19       | Interpretation of Procedures: AVS               | S. Hammes, MD, PhD   | Endocrine    |
| May 26       | Pituitary III: Growth Hormone                   | I. Shafiq, MBBS      | Endocrine    |
| June 2       | Interpretation of Procedures: IPSS              | I. Shafiq, MBBS      | Endocrine    |
| June 9       | Dietary Management of Endocrine                 |                      |              |
